

Field Trip Information

Our field trip program is specially designed to give your students a day of fun “on the snow”! This program is a beginner program for skiing and snowboarding and a fun way to stay active, be social with your friends and to appreciate and embrace the fun Michigan winters can offer.

The program is offered Monday thru Friday of each week starting January 4th, 2016 from 10a – 2p, please arrive at 9:30am for your orientation. This is a very popular program and some days we schedule more than one Field Trip. We suggest that you have more than one date in mind when scheduling your Field Trip.

Upon arrival to Cannonsburg please meet in the Main Lodge and to your designated area, once everyone is seated our staff will guide you through!

ORIENTATION ~ this explains equipment usage, skier and snowboarder responsibility, lift tickets and rental equipment.

RENTALS ~ on to the rental department to be fitted with your respective equipment; depending on the size of your group we may “split” you into 2 or more groups. Please do not go to the rental department on your own.

OPTIONAL LESSONS ~ we strongly encourage lessons for beginners! For an additional **\$5.00** fee per student our certified Ski and Snowboard Instructors will be ready to give all your beginner skiers and riders that “never, ever” tried before lesson.

**** Lessons must consist of at least 4 participants of either skiing or snowboarding***

**** Must be notified in advance with a lesson count at least 2 weeks prior to the planned field trip date***

HERE'S THE DEAL...

* Your school group consists of 20+ students.

* The cost per student is only **\$10.00**. This fee will include your all area lift ticket and equipment rental good from 10am-2pm that day.
