

Classical Enrichment Course Materials

For the 2016-17 Academic Year

- ❑ All books must be purchased prior to the first day of class unless taught in the second semester.
- ❑ Please purchase only those books which correspond to the ISBN numbers provided.
- ❑ Beware that many books in the public domain (printed before 1923) are frequently subject to being “counterfeited” by individuals using print-on-demand services to sell look-alike books on Amazon. Always use ISBN numbers to ensure books come from known and credible publishers.
- ❑ In addition to the materials listed below, students should come prepared with items from the supply list appropriate to their grade, to be sent home over the summer vacation.
- ❑ **Note: All 5th-12th CEC students must have assignment books.** Students may bring their own or purchase those available at the academy office in the first weeks of school.
